

IEEE 2026 14th International Conference on Systems and Control

December 16-18, 2026, Porto, Portugal

Organizers Instituto Superior de Engenharia de Porto, Politecnico do Porto, Porto Organizing committee	This event will provide the opportunity for worldwide researchers and practitioners to share together the latest developments and new trends in systems and control. Both theoretical and applied papers are welcomed for submission to this event. Keynote speeches are to be conducted by well-known experts in systems and control.
