

Dear colleagues,

It is our pleasure to present the 2nd Congress on Research, Development, and Innovation in Renewable Energies, [CIDiER](#) 2022. The conference will be held virtually, during September 19-21, 2022.

All the accepted and presented papers from CIDiER 2022 will be published in the book series "**Green Energy and Technology**" of Springer Nature and indexed in **SCOPUS**, **EI Compendex**, etc.

Important Dates

Submission starts: May 4, 2022

Submission deadline: June 19, 2022

Notification of acceptance: July 31, 2022

Conference date: September 19-21, 2022

Authors are kindly invited to submit full papers involving, but not limited to, the following topics:

- Hydrogen Energy
- Wind power
- Photovoltaic Solar Energy
- Photothermic solar energy
- Biomass energy
- Hydroelectric power
- Seawater energy
- Wave energy

The topics may be addressed from different approaches, such as:

- Development and/or study of new materials
- Design and/or process simulation
- Computational modeling
- Energy efficiency
- Chemical, mechanical analysis
- Artificial intelligence
- Smart grids

Further information can be found on the website: www.cidier.net.

Any questions, please feel free to contact Ms. Ester Melo-Vargas, via emelo@espol.edu.ec.

We look forward to meeting you at CIDiER 2022.
